### **Beach Retreat to Bring AFS Surrogates Together This August**

BEAVERTON, OR – July 18, 2017 – All Families Surrogacy will reunite surrogates from around the country for its 3rd Annual Surrogate Retreat August 12-13. The getaway will bring together past and current AFS surrogates for an unforgettable weekend in Lincoln City, Oregon.

“Everyone has gotten to know one another well via our online surrogate group,” said Carey Flamer-Powell, Founder and Director of All Families Surrogacy. “But nothing beats getting to spend some time together face-to-face.”

This year’s retreat will feature massages, meals, and more in the scenic coastal town. With several activities planned, there will also be enough time for relaxing and bonding as a group.

“The retreat is always tons of fun,” said Angela Padilla, Surrogate Case Manager at AFS, “We love seeing the veteran surrogates share their experiences with the ladies who are just beginning their journeys.”

“Surrogates give a tremendous gift to the families they help create,” added Famer-Powell, “The retreat is just a fun way for us to give a little something back.”
